

With Christmas Eve almost here, there's one last thing to check off your list: cookies for Santa.

Set the stage for the big arrival with this year's sparkling Christmas special: Gingerbread White Chocolate Chip. A deliciously spiced gingerbread cookie, stuffed with white chocolate chips and rolled in cinnamon-spiced sugar. They're so good, we wouldn't be surprised if Santa popped back down the chimney for more!

Buy them by the box or in a beautiful gift tin, along with other favourite flavours.
